SHOOTING AFFRAY AT PROVIDENCE.

BALTIMORE, Sept. 12.
A Border State Convention will assemble to day. Tennessee, Dolaware, Maryland, Missouri, and probably Kentucky will be represented.—
Many delegates, have prived and the attendance will be large. There will be a Republican Mass Meeting at night

JULESDURG, Sept. 11.

The Herald's special says: The Sioux Indian Commissioners reached here to-day all well. A council was held with all of the different bands of Indians as far us Fort Sully. The Indian reservations were shauted as hig Cheyenne River and at the mouth of Nic thrus. The commission starts at once for Omrhaund from thence to Fort Learning to sight the bands of the starts.

Ammile to visit the hostile tribes there.
A Herald's Lavenworth special says: The In A figure into a passenger train, six miles west of Fort Harker to day "hey had placed lies on the track which were removed by the pilot of the locomostre, when atom 38. Indines rose up from a rayme and poured, is colley into the ears but haveling about.

tenn a rayine und poured in voltey into the ear's but injuring nobody.

A band of Choyennes mardered three men and one woman at Plumle Putters, on the Lutte Arabans, a few days since, and a boy manned Majone was served the same way hast Samiday, at Cow Greek, junteteen miles west of Fort Harker.

The Herald says "Developments in Internat Revenue frauds in Brooklyn are taking tangable shape, and are so wide in their "nauthe titios, it is a till as even to incultate certain members of

shape, and are so wide in their taunine thous, it is said as even to implicate certain members of the Washington Cabact, whose identity at present its concealed.

The protectings in the Revenue Board over these alleged transls is add to have been somewhat stormy—some of the numbers offering to resign on account of them, and Mr Rollins presence hereut one time was a further need of interestigation of the subject.

J. C. Allen, keeper of a warehouse on Segwick street, where the alleged fands are said to bure been committed, was arrested yesterday and held in \$20,000 ball, with a charge of complicity in the fraud.

fraud.

Mr. Collicut is still to have brought to the knowledge of the Wishington officials, some very ugly matters in relation to the dungs of life moscentors.

knowledge of the Wishington officials, some very ugly matters in relation, to the dyings of his prosecutors.

A Times special says it has been repeatedly strend that the dispatches of August 13th, from Gun. Grant to Gun Sickles, which was printed on Sturrday last, completed the correspondence—This is not the case. There is one or two other brief dispatches, and a letter from Gen. Grant to Gen. Sickles, doud Aug. 24, which being on diestood by the latter for the private, he his not published, although Gen Grant Intended his utnovization to cover cerything. In this latter, Gen. Grant commend the wisdom of Sickles. A deputation of the officers and directors of the Farmers' and Chirchs' National. Bank, Brooklyn, consisting of M Beach, President, and they forced the Complete of the Carrency to restore the bank to the managers, on the ground that it is a public benefit, and they offer as directors, to guarante the indictiones to the hank of action some amounting to, over \$200,000, it the request is complied with \$Portion and the citain some amounting to, over \$200,000, it the request is complied with \$Portion and the citain some amounting to, over \$200,000, it the request is complied with \$Portion and the citain some amounting to, over \$200,000, it the request is complied with \$Portion and \$100,000, it the request is complied with \$Portion and \$100,000, it the repeated private the four privates a summary of the citains of either the sum of the private state. For \$200,000, it the repeated states for denances from privateers itsed out from British ports, and requests that, Lord Banker, may be informed that the cettherent of these claims has become instead of the content of the Edding Science and Grat. Pritain.

The hoadle course of the latter country during the rehellion is contrasted with the action of the linked States and

States Government toward the Fentian of Canada, in the following words — we have seen rainous Bratish worlds exhresion of Curidy, in the following words—"Thus we have seen rulinous Bratish would co-petitions against the United States provided and followed the United States provided where the United States provided where seen similar on twile attempts in this country against Great Britage distillated and defected by the direct and unprompted action of the Government of the United States."

A official special says The President will keep quare now till after the full election and that no Cabinat, changes will take place till after the Prinsylvania, Ohio and New York elections in the Special says that the elections at the Southall take place on the same dispersion of the Southall take place on the same dispersion of the Southall take place on the same dispersion of the Southall take place on the same dispersion of the Santhall take place on the same dispersion of the Santhall take place on the same dispersion of the Santhall take place on the same days.

A dispatch from Livenworth ags Gir Han-cock will stint for Washington to-day, having here ordered to do so by Gir. Grant Sanidan will also go to Washington in a day or two He assumes command of this department to day. A unusta, Mr., Gapt 12 Official returns from 188 edites, towns and plantations, giv. Official returns from 108 cities, towns and almationsgive Chamberlain 15,125 and Philishing 34,78. Three towns last year give Chamberlain 5,125 and Philishing 34,288 and Philishing 31,288. There is 219 town syet to be heard from, which last year gave Ghambhaldai 14,722, Philishary, 15,577. The Democrats have turnled but hand, Knoy and Aronstock countries by very small and office, which will give them seen been tors to wanty-four Republicans. The Hunse will be three-lounter Republican. The Hunse will be three-lounter Republican Washinstory, Sept. 12. The Nay Department have received a report from Capit Amstrong, communding the Pensation X Nay Yard, dated the 6th inst. He lears on account of the prevalence of the yellow lever that a partial suspension of the work at the Nay Yard will add to the chitress and suffering algorithms. The Mayor had applied for aid to physicians, nurses, and money to which they nobly responded, Mobile sending \$1,000.

The entirent on the natal reserve are busine The culions on the untal reserve are thising money by subscription to coupley physicians, nurses and obtain medicines and tood for the destinate. Capitain Armstrong has given them the net of a building in possession of the Government for a bospital for the treatment of the site, and they hope to obtain additional sid from the same source as clusters of Pensacola they can obtain no sid from the Freedmen's Bureau, at the source was the new without and from the can obtain no sid from the Freedmen's Bureau,

the same some as character to research they can obtain no sid from the Freedman's Barcau, although many of the poor whites and freedmen are residing on the reserve. There has been twenty-one de this outside and afficient in they ards. Many cases now exists and new ones are appearing, and there are no physicians outside the yard to attend to the side. It is thought and is hoped the committee will soon obtain them. A circular was fassed this morning from the Wor Department, staling that orders had been sent to the recruiting and other disbursing officiers, to make weekly reports of the amount of public fands in their enstedy, and where such tonds are deposited; roports are to be made by mil. The two of the telegraph will be reduced and orders sent by mill instead of sisparch by telegiaph as much as pushing.

This morning Joseph A W. Canim, recently a cotton troker in Boston, was shot dead by lien jumb. W. Aldrich, a sporting min, at a house near this city, where Canton had been living with the wife of Aldrich. Canim gave himself up.

the wife of Addich. Camin gave himself up.

NEW YOME, Sept. 11.

A Post's Washington special says an officer of femeral Grant's staff relates a conversation be tad with the sciences in the days are wherein the General remarked, concerning the talk of making him President, that he would not be President of the United States if an opportunity were offered; that he was no politicia; that he haded politics; that so far as reputation and honor was

concerned he thought he ought to be satisfied with what of these he already enjoyed; that holding the office of Product will murr his present confect and drag him into storms and excitements of politics; that as the General of the army he had all the work in could do and time cough to enjoy the comforts of his family and home, and that as a soldier he had gained friends enough to enjoy the country, which is not become market opened quite dut his norm.

The Performance was Monarise II sale, and the proper will furnished, by a good paying its friends enough in the country, without now seek inc. but toward now there was better feeling and the sale.

and home, and that as a soldier he had gained riends enough in the country, without now seeking a place where he should gain no more, but probably lose those whom he had gained.

A Fenian excursion on the pulmer Grant, when starting from the island caught two young ladies named, Kate Golding and Mary Grant, in coil of the stern line, taking a lig from each; they reade here.

The Petroleum market opened quite duli this more log, but toward noon there was a better feeling and see lug, but toward moon there was a better feeling and everal transactions occurred at from §4 10 to §6 25 delivered. This actions of the buyers were characterized through out the day by an uncertain feeling, and they did not seem disposed to buy any more than would over their orders. There is but light, if any set a speculative touting, which is probably owing to the uncertain and unrailable course of the Answerp market. "These, was considerable inquiry by speculative "built", besties that of regular buyers, and one has whale the defined was far. On Bull Ene. offers were needs at frem \$5 % to \$6 % at the wells. On Phoses Bus local and New York buyers were freely offering \$6 90 at the wells. On \$100 towers were made at \$6.00 to \$6 at the wells. On the order were made at \$6.00 to \$6 at the wells. On the order were made at \$6.00 to \$6 at the wells. On the order were made of \$4.00 to \$6.00 to \$6. 64 10 de ivered. At Tituavillé offera were inside of \$4.00 for all principe of \$1.00 for sill principe of the arm. As Fetroleam Cérime offera were inside in \$4.15 sillnered.\(^1\)
There was but an ordinary amount of settivity, the aggregate transactions being about 3000 burrels. The sales at the wells were: To burrels on Plonder Russ.\(^1\)
Benninghoff Oil Company, for the local market, at \$4.00; \$400 burrels on Plonder Russ.\(^1\)
Working inferent, for the Now York market, at \$4.00. The sales made, delivared on cairs, were as follows:
Beyon and londs at Historiels, from an income task, for the
Seven and node at Tituaville, from an income task, for the Boston market, at \$4.00; twelve car loads at Boyd Fars for the New York, market, on private terms; alx ca cade on Pioneer Run, from the Wicker well, for the New York market, at \$4 10; 2000 barries at Miller Farm Now York market, at \$4 10; 2000 barries at Miller Farm, for the New York market, at \$4 25; \$30 barries, at Timestile, from the Barges & Severance tank, for the New York market, on private terms; twelve car loads on Boyd Farm, from the Haldoman tank, for the New York market, at \$1% per gallon; 200 barrels at Pithole, at \$4 20 at Timestile, for the local market We muste.
